Dear Shareholder

On behalf of the Board, I am pleased to advise that OFX Group Limited (OFX), commencing from the interim dividend payment for the Half Year period ending 30 September 2017 will be paying all future dividend payments to Shareholders with registered addresses in Australia and New Zealand by direct credit only. Only Shareholders whose registered addresses are not in Australia and New Zealand will be paid by Australian Dollar cheques.

The benefits of having dividends paid by direct credit to your nominated bank account include:

- there is no delay in waiting for your cheque to be delivered in the mail;
- your funds are deposited on the date of payment and are cleared for immediate use;
- direct credit is a more secure and safer method of receiving dividend payments;
- it mitigates the risk of lost payments, unbanked cheques and fraud;
- if you are absent from the address, the dividend will still be deposited into your bank account;
- you can elect to have your dividends paid either directly to your own bank account or any other nominated account in Australia or New Zealand;
- direct credit is cost effective for OFX and the savings generated will benefit all Security holders.

You will continue to receive a dividend statement in the form nominated by you (electronic or paper) for your tax records.

If you have already provided your banking details, there is no action required from you.

If you have not provided your banking details and your registered address is in Australia or New Zealand, please provide details of your nominated bank account to our share registry, Link Market Services Limited before the next Record Date for payment.
