Asking a Question During the Annual General Meeting via Zoom

For registered Shareholders or Proxyholders, please see the instructions below to ask a question

Shareholders or Proxyholders who have provided their shareholder number or proxy code when registering can ask questions during the Annual General Meeting. Questions from attendees who have not provided their shareholder or proxy details will not be answered.

You can submit a question to the management/board online by typing it in the Q&A box at any time during the AGM, or you can ask a question verbally during the AGM.

Not all questions are guaranteed to be answered during the AGM, but we will do our best to address your concerns.

Step 1: Select the Q&A Button from the bottom menu bar.

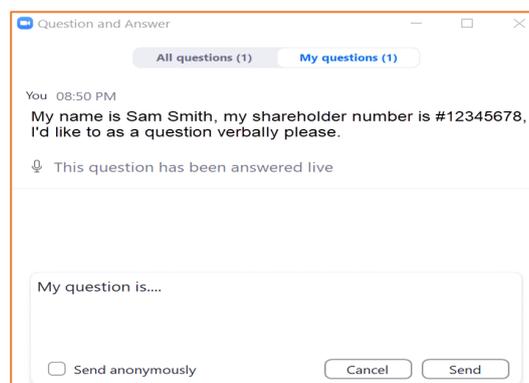

Navigate to the lowest section of your Zoom window and the bottom menu bar will appear.

Click on the Q&A button, shown to the right by the green box.

Step 2: Enter your full name, your shareholder number or proxy code and indicate if you will:

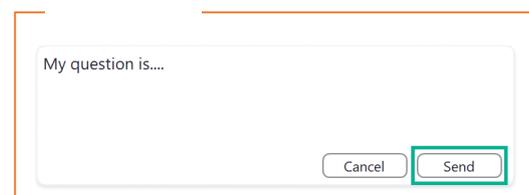

- type your question into the Q&A box; or
- ask your question verbally.

As only shareholders and proxyholders can ask questions, your name and shareholder number or proxy code must be validated before your question can be asked.

Step 3a: Type in your question

If you would like to submit your question online, please type in your question in the Q&A box and click send.

Step 3b: Ask your question verbally during the AGM

If you would like to ask your question verbally during the AGM, at the appropriate time, the moderator will indicate directly to you via the Q&A Box that you can ask your question and your microphone will be turned on enabling you to ask your question.

In the event your question can not be heard, the moderator will ask you to type your question into the Q&A box and the moderator will ask the question on your behalf.

Voting during the Annual General Meeting

For registered Shareholders or Proxyholders who have not already voted, see below for how to vote

Shareholders or Proxyholders who have not previously voted are able to cast their vote at any time between the start of voting and the closure of voting as announced by the Chairman during the AGM.

Please ensure you have provided your Shareholder number or Proxy code when registering your attendance otherwise your vote will not be valid. You will cast your vote on the voting card via the Zoom Poll.

Note if you have already voted using the Voting/Proxy form prior to the meeting and then vote again using the voting card during the meeting, your prior vote will not be valid.

Step 1: Complete the voting card

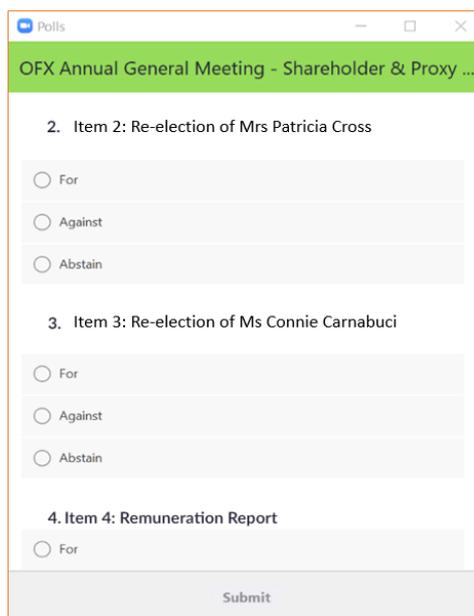

During the meeting, the Chair will indicate that the voting is open and the voting card will be shown.

The voting card can be repositioned on your screen.

There are 6 items to be voted on by shareholders at the AGM (as set out in the Notice of Meeting). In order to submit your voting card you must select one of the following options for each item:

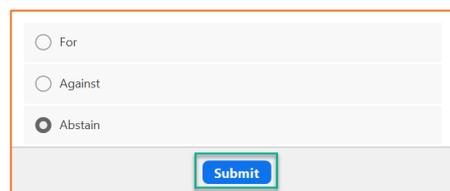

- For
- Against
- Abstain

Please use the scroll bar on the right-hand side of the voting card to view and respond to all items on the voting card.
