Voting information

Entitlement to vote

Pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Directors have determined that for the purpose of the AGM (including voting at the AGM), 'Shareholders' are those persons who are the registered holders of OFX shares at 7:00pm (AEST) on Tuesday 1 August 2023. Share transfers registered after that time will be disregarded in determining entitlements to vote at the AGM.

> Notes

Shareholders may vote on all items of business, subject to the voting restrictions described in this Notice of Meeting.

Voting by poll

Each resolution considered at the AGM will be conducted by a poll. The Directors consider voting by poll to be in the interests of the shareholders as a whole and ensures the views of as many shareholders as possible are represented at the AGM.

Direct voting prior to the AGM

If a shareholder is unable to participate in the AGM, they are entitled to vote their shares directly by marking Section A 'Vote Directly' on the Voting/Proxy Form that accompanies this Notice of Meeting.

They will not need to appoint a proxy to act on their behalf. The Shareholder should mark either the 'for' or 'against' boxes next to each item on the Voting/Proxy Form. The 'abstain' box should not be marked – if a shareholder does mark the abstain box, then the vote for that item will be invalid.

If a shareholder does not give a direction on all of the items, or if they complete both Section A 'Vote Directly' and Section B 'Appoint a Proxy', their vote will be passed to the Chair of the AGM as their proxy.

In accordance with clause 37(b) of the Company's Constitution, the Directors have resolved that shareholders will be able to vote directly prior to the AGM on resolutions to be considered at the AGM at any time between the date of this Notice of Meeting and 2.00pm (AEST) on Tuesday 1 August 2023.

Direct voting

In accordance with clause 37(b) the Company's Constitution, the Directors:

- have determined that at the AGM, a shareholder who is entitled to vote on a resolution at the AGM is entitled to a direct vote in respect of that resolution; and
- have approved the use of either:
 - a. the direct Voting/Proxy Form enclosed with this Notice of Meeting for use for direct voting prior to the AGM; or
 - b. shareholders or proxyholders can deliver their direct vote in real time during the AGM through either voting via the online platform or submission of a voting card at the meeting.

Direct voting during the AGM

Online

Shareholders will be able to log into the online voting platform to vote directly at any time between the start of the AGM at 2.00pm (AEST) and the closure of voting as announced by the Chair during the AGM on Thursday 3 August 2023.

In person

Those shareholders who choose to attend the meeting in person will be able to submit their voting cards.

> Notes

Appointing a Proxy

Shareholders who are unable to attend the AGM and do not choose to vote prior to the AGM are entitled to appoint a proxy to attend the AGM virtually on their behalf, and to vote in accordance with their instructions on the Voting/Proxy Form.

To appoint a proxy, mark Section B 'Appoint a Proxy' on the Voting/Proxy Form to appoint the Chair as proxy, or insert the name of an alternate proxy in the space provided.

A proxy need not be a shareholder of the Company and may be an individual or a body corporate. If a body corporate is appointed as proxy, it must appoint an individual as its corporate representative in accordance with section 250D of the *Corporations Act 2001* (Cth) to exercise its power as proxy at the AGM. Evidence of this appointment must be provided to the Company prior to the commencement of the AGM.

Subject to the voting exclusions set out above, if no voting instructions are given, the proxy may vote as they see fit.

The Chair intends to vote all available and undirected proxies in favour of each item of business.

If a shareholder appoints a KMP (which includes each of the Directors) as proxy, the KMP will not be able to cast the shareholder's votes on Items 3, 5 and 6 unless the shareholder directs the KMP how to vote or the Chair is the shareholder's proxy. If a shareholder appoints the Chair as their proxy or the Chair is appointed as the shareholder's proxy by default and the shareholder does not mark a voting box for Items 3, 5 and 6 then by signing and returning the Voting/Proxy Form the shareholder will be expressly authorising the Chair to exercise the proxy in respect of the relevant item even though the item is connected directly or indirectly with the remuneration of KMP.

If you are a shareholder entitled to cast two or more votes, you may appoint up to two proxies and specify the proportion of voting rights or the number of votes each proxy is appointed to exercise. If a shareholder appoints two proxies but do not specify the proportion of the number of votes each proxy may exercise, each proxy may exercise half of that shareholder's votes.

How to appoint a proxy

For an appointment of proxy to be effective, the Voting/Proxy Form with Section B 'Appoint a Proxy' marked to indicate your appointment of a proxy (and the power of attorney or other authority, if any, under which the Voting/Proxy Form is signed or a certified copy of the power or other authority) must be received at the Share Registry of the Company no later than 2:00 pm (AEST) on Tuesday 1 August 2023 (48 hours before AGM).

If your Voting/Proxy Form is signed by an attorney, or in the case of a Voting/Proxy Form submitted electronically, authenticated by an attorney, the power of attorney (or a certified copy of the power of attorney) must be received by the Share Registrar.

> Notes

Appointing a corporate representative

A body corporate that is a shareholder, or that has been appointed as a proxy, must appoint an individual to act as its representative at the AGM. The appointment must comply with the requirements of section 250D of the *Corporations Act 2001* (Cth).

The representative should register on behalf of a body corporate and must provide evidence of their appointment to the Share Registry of the Company prior to the commencement of the AGM.

If the appointment of a corporate representative is signed by an attorney, or in the case of an appointment submitted electronically, authenticated by an attorney, the power of attorney (or a certified copy of the power of attorney) must be received by the Share Registrar.

Important note

A representative will not be permitted to ask questions or to vote at the AGM if evidence of their appointment as a corporate representative has not been provided prior to the AGM.

› Explanatory memorandum

Item 3: Remuneration Report

In accordance with section 250R(2) of the *Corporations Act 2001* (Cth), the Board is presenting the Company's Remuneration Report to shareholders for consideration and adoption by a non-binding vote.

The Remuneration Report was published on 23 May 2023 in the Company's 2023 Annual Report and has also been available on the Company's website since that date.
<https://www.ofx.com/en-au/investors/>

The Remuneration Report:

- Explains the Board's policies in relation to the objectives and structure of the Company's remuneration schemes;
- Discusses the relationship between the remuneration outcomes and the returns to shareholders;
- Provides details of performance conditions, why they were chosen and how performance is measured against them;
- Describes the governance framework of the Company's remuneration arrangements; and
- Sets out the remuneration arrangements for each of the Key Management Personnel (**KMP**).

Under the *Corporations Act 2001* (Cth), the vote on this Resolution is advisory only and does not bind the Board or the Company. However, the Board will take the outcome of the vote into account when considering future remuneration for KMP.

A voting exclusion applies to this resolution, as set out in the Notice of Meeting.

In the interests of corporate governance, the Directors abstain from making a recommendation in relation to this resolution.

The Chair of the AGM intends to vote all available and undirected proxies in favour of this resolution.

Item 4. Ratification of the granting of performance rights

The Company announced the acquisition of Paytron Holdings Pty Ltd (ABN 26 645 735 155) (**Paytron**) on 23 May 2023. As part of the consideration that the Company paid for its acquisition of Paytron, the Company has granted performance rights (Acquisition Issuance) which entitle the recipients (being the owners of Paytron) to up to 11,250,000 ordinary shares, subject to Paytron meeting relevant performance milestones.

Broadly speaking, subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the number of fully paid ordinary shares it had on issue at the start of that period.

The Acquisition Issuance does not fit within any of the exceptions and has not been approved by the Company's shareholders and, accordingly, the Acquisition Issuance effectively uses up part of the Company's 15% limit under ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval for the 12-month period following each issuance.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1. As a result, Item 4 seeks shareholder approval for the Acquisition Issuance for the purposes of ASX Listing Rule 7.4.

› Explanatory memorandum

If Item 4 is passed, the Acquisition Issuance will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12-month period following the date of the relevant issuance. If Item 4 is not passed, the Acquisition Issuance will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without shareholder approval over the 12-month period following the date of the relevant issuance.

Specific information on the Acquisition Issuance

- Number of performance rights: Performance rights which entitle the recipients (being the owners of Paytron) to up to 11,250,000 ordinary shares.
- Issue price: Until performance milestones are achieved the performance rights have no rights and no value.
- Performance milestones: There are two categories of performance milestones (a) threshold milestones to be satisfied in order to have any consideration shares issue and (b) revenue based milestones to be achieved for consideration shares to issue which are tied to the contribution that the Paytron business makes to OFX in the 3 year period from completion of the transaction. The Board is of the view that the performance milestones are appropriate and equitable with a demonstrable nexus between the performance milestones, the underlying transaction and purpose for which the shares may be issued.
- Issue date: The performance rights were issued to the owners of Paytron under the Share Sale and Purchase Agreement to acquire the entire issued share capital of Paytron Holdings Pty Ltd (ABN 26 645 735 155) which, as at the date of the Notice of Meeting, is expected to close on or around 3 July 2023.

- Recipients of the performance rights: The vendors who sold their shares in Paytron Holdings Pty Ltd (ABN 26 645 735 155) to the Company.
- Purpose of the issue and use of funds: As noted above, the shares may be issued as part of the consideration for the Company's acquisition of Paytron Holdings Pty Ltd (ABN 26 645 735 155).

A voting exclusion applies to this resolution and is set out in the Notice of Meeting.

Item 5. Issue of performance rights to Mr John Alexander ('Skander') Malcolm under the OFX Group Limited Global Equity Plan in respect of FY23 Short Term Incentives

The Company is seeking approval under ASX Listing Rule 10.14 for the grant of performance rights to Mr Malcolm pursuant to Mr Malcolm's achievement under the Company's Short-Term Incentive (STI) Plan for the 2023 financial year. These performance rights will be issued under the Global Equity Plan.

Why approval is required

ASX Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the acquisition of securities under an employee incentive scheme by specified persons, including a Director of the Company.

If shareholder approval is obtained under Listing Rule 10.14, 256,346 performance rights (ie the maximum amount that could vest) may be issued

› Explanatory memorandum

to Mr Malcolm under the Global Equity Plan. Approval of this resolution will also result in the grant of these performance rights falling within exception 14 in ASX Listing Rule 7.2. If approval is given, these performance rights will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1. This proposal for the grant of performance rights is consistent with the Company's remuneration framework and Mr Malcolm's remuneration structure since his appointment as CEO and Managing Director and as previously disclosed to shareholders.

If shareholder approval is not provided, the Directors will exercise their discretion pursuant to the terms of the Global Equity Plan which, subject to the vesting conditions described below, may include the Company acquiring shares on-market to be transferred to Mr Malcolm at the end of the one year vesting period (as permitted by the Exception to Listing Rule 10.14 in Listing Rule 10.16(a)) and/or the payment of cash.

Current remuneration framework

Mr Malcolm is a Director of the Company and, therefore, any acquisition by Mr Malcolm of securities under an employee incentive scheme is covered by Listing Rule 10.14.1.

Mr Malcolm's current remuneration consists of:

- **Fixed remuneration:** \$720,861 inclusive of statutory superannuation¹;
- **Short Term Incentives:** Target is 115% of total fixed remuneration - 50% of which is cash and 50% of which is deferred remuneration. The deferred remuneration is delivered in performance rights 50% of which vest after 1 year and 50% of which vest after 2 years. For FY23 short term incentives, Mr Malcolm will be granted 256,346 performance rights. The grant of these performance rights was

subject to achievement of performance conditions by both the Company and Mr Malcolm personally. The performance rights to be granted to Mr Malcolm for FY23 short term incentives, including the key terms and issue price of these performance rights are described under the heading '*Proposed FY23 STI Grant to Mr Malcolm*' below and on page 16; and

- **Long Term Incentives:** Target is 115% of total fixed remuneration all of which is deferred remuneration and delivered in performance rights which vest after 3 years subject to achieving performance metrics. For FY24 long term incentives, Mr Malcolm will be granted 704,761 performance rights. The performance rights to be granted to Mr Malcolm for FY24 long term incentives, including the key terms and issue price of these performance rights are described in Item 6 below under the heading '*Proposed FY24 LTI Grant to Mr Malcolm*' on page 20.

FY23 STI Grant

The Company's STI plan for FY23 was the same as for FY22. From FY19 the STI Plan features a Company multiplication factor, driven by Company performance measures to be reviewed and reset annually with Threshold/Target/Maximum levels for each metric (**Company Performance Measures**).

FY23 Company Performance Measures were set at:

- Underlying NOI (30%);
- Underlying EBT (30%);
- Strategic Investments (20%); and
- Risk and ESG (20%).

All employees, including Mr Malcolm, also have individual performance measures to be equally weighted.

1. Inclusive of increase in super guarantee rate increase effective 1 July 2022.

› Explanatory memorandum

For certain employees, including Mr Malcolm, there is a component of the total STI award that is deferred. The purpose of the STI deferral and grant of performance rights is to drive further alignment between employee and shareholder interests, and to provide a clear focus on long-term sustainable growth.

Deferred STI is granted in the form of performance rights issued under the Global Equity Plan.

Proposed FY23 STI Grant to Mr Malcolm

For the 2023 financial year Mr Malcolm's STI target was 115% of his TFR and his STI achievement, as assessed by the Board was 112.97%. This was calculated based on a 102.7% funding from the Company Performance Measures and an individual performance of "Exceeds Expectations" measured against his individual KPIs.

Mr Malcolm's STI payment is settled 50% cash and the remaining 50%, subject to shareholder approval, deferred equity to be delivered in performance rights with 50% vesting one year after issue and the other 50% vesting two years after issue.

Mr Malcolm's STI equity grant for FY23 is \$468,255 equating to a maximum of 256,346 performance rights, each with a value of \$1.82665 determined on the following basis:

Summary of Material Terms of Proposed FY23 Deferred STI grant to Mr Malcolm

In addition, Mr Malcolm was issued:

- 80,398 ordinary shares under the Global Equity Plan as a retention grant for nil consideration in accordance with the approval granted at the 2020 AGM; and

No other securities have been issued to Directors or their associates under the Global Equity Plan since it was approved at the 2018 AGM. The Company's Non-Executive Directors receive fixed fees and are not eligible to participate in any incentive scheme. As Managing Director and Chief Executive Officer, Mr Malcolm is the only Director entitled to participate in the Global Equity Plan.

Other considerations

The Board's view is that this award is appropriate to reflect the Company's performance in FY23 under Mr Malcolm's guidance. The grant of performance rights will encourage a focus on the future success of the business and is aligned with the long-term interests of shareholders. Performance rights do not provide Mr Malcolm with the full benefit of share ownership (such as dividend and voting rights) unless the performance rights vest.

If Mr Malcolm ceases to be an employee all vested and unvested performance rights will be retained by him unless the Board exercises its discretion to determine that those performance rights will lapse or be forfeited.

Where in the opinion of the Board, Mr Malcolm acts fraudulently or dishonestly, or is in material breach of his obligations to OFX and/or its subsidiaries, any unvested Plan Interests, vested but unexercised Options or Rights and/or any Restricted Shares will lapse or are deemed forfeited (as applicable) immediately, unless the Board determines otherwise.

The Board has discretion to determine that one or more of the following will apply with respect to Mr Malcolm's grant:

- some or all of the performance rights will lapse or deemed forfeited;
- the Vesting Conditions will be varied;
- the Performance Period will be varied; or
- Mr Malcolm will be required to transfer some or all of the shares acquired by him (or some or all of the cash if the performance rights are settled in cash) upon vesting of the performance rights for no consideration, or pay an amount equal to the market value of those shares on the date of acquisition or disposal,

as the Board deems necessary to:

- i. protect the financial soundness of the Company;
- ii. respond to material examples of his misconduct, risk events or failure to take accountability;
- iii. reflect financial or non-financial risk-taking behaviour or non-compliance with legislation or the Company's Risk Management Framework; or
- iv. respond to significant unexpected or unintended consequences that were not foreseen on the date of the grant or any Vesting Date.

If there is a Control Event, the Board may in its discretion convert all or any of the Rights to Shares or permit the exercise of some or all Rights or Options, whether or not Vesting Conditions have been satisfied. Further, the Board may remove any Disposal Restrictions, whether or not all requirements have been satisfied.

Directors' recommendation

The Board (Mr Malcolm abstaining) considers that the proposed issue of performance rights under the Global Equity Plan to Mr Malcolm in respect of FY23 STI is appropriate and is in the best interests of the Company and its shareholders, as the issue of performance rights strengthens the alignment of Mr Malcolm's interests with shareholders, and the performance rights provide a strong link between the reward for Mr Malcolm's performance and Company performance.

Mr Malcolm makes no recommendation on how to vote on Item 5 in light of his direct interest in Item 5.

A voting exclusion applies to this resolution and is set out in the Notice of Meeting.

The Board (Mr Malcolm abstaining) recommends that shareholders vote in favour of this resolution.

The Chair of the AGM intends to vote all available and undirected proxies in favour of this resolution.

Item 6. Issue of performance rights to Mr John Alexander ('Skander') Malcolm under the OFX Group Limited Global Equity Plan in respect of FY24 Long Term Incentives

The Company is seeking shareholder approval under ASX Listing Rule 10.14 of the *Corporations Act 2001* (Cth) for the proposed issue of performance rights to Mr Malcolm under the Global Equity Plan in respect of Mr Malcolm's FY24 Long-Term Incentive (**FY24 LTI Grant**).

Why approval is required

ASX Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the acquisition of securities under an employee incentive scheme by specified persons, including a Director of the Company.

If shareholder approval is obtained under Listing Rule 10.14, up to 704,761 performance rights (ie the maximum amount that could vest) may be issued to Mr Malcolm under the Global Equity Plan. Approval of this resolution will also result in the grant of these performance rights falling within exception 14 in ASX Listing Rule 7.2.

If approval is given, these performance rights will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1.

If shareholder approval is not provided, the Directors may exercise their discretion pursuant to the terms of the Global Equity Plan which, subject to the vesting conditions described below, may include the Company acquiring shares on-market to be transferred to Mr Malcolm at the end of the three year vesting period (as permitted by the Exception to Listing Rule 10.14 in Listing Rule 10.16(a)) and/or the payment of cash.

Current remuneration framework

Mr Malcolm is a Director of the Company and, therefore, any acquisition by Mr Malcolm of securities under an employee incentive scheme is covered by Listing Rule 10.14.1.

Mr Malcolm's current remuneration is described in Item 5 above under the heading '*Current Remuneration Framework*'.

Long Term Incentive Plan

In FY21, the Board undertook to review the remuneration plans for Executives that resulted in changes in the performance metrics for Company funding for the Short-Term Incentive (STI) Plan as well as the design and performance metrics for the Long-Term Incentive (LTI) Plan for Executives from FY22 onwards.

During FY23, the Board continued to consider the effectiveness of these plans and engaged Godfrey Remuneration Group and Guerdon Associates to provide independent benchmarking data on Executive remuneration and Non-Executive Director fees to assist with Executive base salary and Non-Executive Director fee recommendations. In particular, with the intent of ensuring that OFX has competitive remuneration in place for the Executive team and that remuneration is aligned to market practice. The external advisors did not provide recommendations and the data was used as an input to decision-making by the People, Culture and Remuneration Committee and the Board only.
