

## > Interview Tips

- 1

**Research**

Research your interviewer(s) and OFX. Visit the resource links below to review our overall company strategy, our products, customers and people.
- 2

**Review**

Review the job brief and the key requirements. Think of what you can bring to the role and what you would do in the role.
- 3

**Prepare answers**

Be prepared for technical, behavioural and situational questions. Be specific: provide context to the situation, outline actions you took and the outcome.
- 4

**Prepare questions**

Our hiring teams are happy to answer your questions. Be prepared with questions to gain insights on what's important to you!
- 5

**First impressions**

Be punctual. If you expect any delays, let us know in advance! Our dress code is smart.
